

Side #2

Sammy, Tara

Sammy: And there's a new team here called "Happy Birthday, Tara!"

Tara: Woo! That's me! That's me and my team.

Sammy: People don't normally come up to the stage...

Tara: It's my birthday. We didn't even know there would be trivia tonight. We just wanted to celebrate, have a few drinks, party. But since we're here, it sounds like fun and we'll play. Me and my friends, my best friends who are here tonight, we'd love to play. Thank you for having us.

Sammy: And thank you for coming. Please go back to your table.

Tara: I will. Just as soon as I thank my BFFs for being here with me tonight. Sienna and Maddie and Cordelia, you're the best. I never knew my father and I lost my mom recently. But you've always been there for me. Always. I love you more than appletinis. And you know what? I think we could win tonight! Okay, I'm going to sit down.

Sammy: Yes, "Happy Birthday, Tara."

Tara: Woo!
