

Side 1

Riley: Hello, everyone! Before we start filming, I thought we should do some introductions. Just kidding. We're always filming! That's a good tip for everyone here. Assume the cameras are always rolling and aim to always be camera ready and have a good quip. That's a tip for quip! Anyway, we should do some introductions because I know our local audience might not be completely familiar with Dessert Decision.

Sonny / Sofie: This episode of Dessert Decision is brought to you by Tully's Tavern.

Riley: Yes, thanks, Sonny / Sofie.

Sonny / Sofie: Tully's Tavern, where you come for great food with great friends.

Riley: Yes, we would be amiss to forgot the sponsor of this week's episode who will providing all you lovely live audience members with a meal besides your dessert treats.

Sonny / Sofie: And you stay for the great specials! And great food! Did I already say great food? Uh oh. Aunt Tully told me not to come here and embarrass the restaurant. But I said – it's free publicity! On TV! How can I mess that up?

Riley: Let's do some introductions for the crowd.

Sonny / Sofie: Right. I'm Sonny / Sofie from Tully's Tavern, and believe me, even if I weren't related to the owner I'd eat there. Their meals are delicious.

Riley: I'd like to introduce our judges on Dessert Decision. Their refined palates and keen senses will make sure that the winner of Dessert Decision truly deserves the ten thousand dollar prize.

Cora / Nigel: This is a competition, but we want to make sure that this is fun for everyone here too. Baking is a joy and we don't want you to lose sight of that as you're running around to make a desert deadline.

Riley: This is Cora / Nigel, cookbook author and travel host.

Cora / Nigel: I'm delighted to be here amongst such talented bakers. I can't wait to see what you can do in the kitchen!

Riley: And of course, Jeffrey Anger. Well-known for his own TV shows "This Smells Awful" and "Insulting Bites", we are so glad to have him here today.

Jeffrey: I wish I could share the sentiment.

Riley: You don't think that the bakers have what it takes to impress you?

Jeffrey: From what I've seen, these bakers couldn't impress toddlers with their treats. And neither will this show.

Riley: What?

Jeffrey: Being here is definitely a step down in my career. Small town locations, amateur bakers, and a dime-a-dozen host? What was my agent thinking? I hope I'll be able to sample anything with the nausea brewing my stomach.
