DISASTER!

- 25 -

### START

*Shirley turns and is surprised to find Sister Mary standing right next to her.*

(SHIRLEY)

Sorry, sister.

SISTER MARY

That's alright, Shirl. You can say menopause in front of me. I know what it is.

SHIRLEY

Good.

SISTER MARY

One of God's many punishments towards women. Well, it's time for some soul saving.

SHIRLEY

Good luck. I'm gonna hit the ol' one-armed bandit.

*Shirley approaches a slot machine.*

SISTER MARY

Holy Mary Mother of God! That's not just any slot machine... that's the new "Hawaii Five-O" themed TX-420.

SHIRLEY

What?

SISTER MARY

They're made in Monaco and they're top of the line. They use quarters instead of nickels and payout in the thousands.

SHIRLEY

How do you know so much about slot machines?

SISTER MARY

What? That's common knowledge.

SHIRLEY

Huh. Listen, Sister, before you were a Nun, did you ever—

SISTER MARY

Never. I've always wanted to be a Nun and I've always loved Jesus.

SHIRLEY

So, there wasn't any time you strayed...

SISTER MARY

What do you mean? I never had a gambling addiction!

SHIRLEY

All right.
